ACT 2 SCENE 13 I TRY/GOST CAT/I WILL AVENGE U

Gost cats haunt and inspire Happy, Astro, and Dreamer to move forward and have hope! And cheezburger!
Lolrus picks up the dead kittehs and cradles them in his flippers. His loss is too great, and he waddles to a nearby rocky ravine with plans to take his own life.
In the delicate whisper of the wind, he hears the sounds of gost ittehs mixed with oboe, windchimes and seagulls.

ACT 2 SCENE 17 NO MOR LOLCATS

In this epilogue of bubbles and fuzz, lolcats break the fourth wall to embrace audience members.

Cell phones are smashed to the ground, live cats and hugs are unleashed, and the aroma of cats and hope fills the air. Lots of purring.
